## Angel Wings Scholarship Program

### Why Give...

St. Gregory the Great parish is committed to partnering faith with education. However, some of our families face a financial struggle to send their children to our

school, while others have never had the ability to enroll because of the financial constraints facing many in today's world.

Because of our parish's strong belief in Catholic education, we do not deny families, based on their financial constraints, the opportunity to attend our school. Our *Angel Wings Scholarship Program* helps us to fulfill our belief/commitment to our children and their families.

Your participation turns a dream into a reality for children and their families.

### Since 2006...

Our *Angels Wings Scholarship Program* has contributed more than \$100,000 dollars to provide partial tuition assistance to the children of our parish. This has ensured that more than fifty St. Greg's parish families have been able to

provide a solid, faith filled, educational foundation for their children.

### The Applicants...

ASWP applicants must be registered parishioners of St. Gregory the Great parish. Consideration is given to those families who demonstrate significant involvement in parish and community activities. Applicants are asked to submit an essay expressing why they should be considered for this scholarship.

"Thanks to your generosity, we are able to provide our children with a Catholic education."

### The Donors...

Donors of \$250.00 or more will receive an anonymous communication from their "Angel Wings" recipient. Donors are welcome to anonymously communicate with the recipient as well, thus creating a relationship that goes beyond the donation.

"The rewards are great! You cannot get a better bargain! We hope others will make an investment in the future of our community and faith!"
