

Angel Wings Program

Dear St. Greg's Families,

Attached you will find an application form for the "Angel Wings Scholarship Program." Scholarships will be awarded in May of this year and will be applied to tuition for the upcoming 2022-2023 school year. The scholarship awards will aid in the offset of tuition for a child or family at our school, who otherwise, may not qualify for Tuition Assistance. Angel Wings Scholarships from Parishioners or Parish Organizations are a supplemental benefit for qualified students from the parish whose families have difficulty meeting all the tuition and related costs to attend our parish school.

You are encouraged to fill out the application form and return it to the school office in a sealed envelope marked "Angel Wings Scholarship" by April 15, 2022. Please limit one application per family. We also encourage you to include any special reasons as to why your family should be given consideration for the scholarship and the application form provides for that. Unlike our tuition assistance program, no further financial information will be requested with your Angel Wings application.

All applications will be reviewed and Scholarship award decisions will be made by a small committee. No parents of current St. Greg's students will serve on the committee. Strict confidentiality of donors and award recipients will be maintained. All decisions of the committee are final.

Once awarded, all scholarship recipients are required to anonymously send notes or cards to their "Angel" at least twice during the school year to let them know how their year is progressing. The hope is this will create a special bond between the donor and the recipient. The cards and notes forwarded to the donors have been greatly appreciated and in fact, we have repeat donors. This is a wonderful way for our Parishioners and Parish Organizations to support Catholic education and positively affect the lives of the children in our Parish.

We are thrilled that this program continues to assist families when they need it most, and encourage you to apply so that your family may benefit.

If you have any questions, please call Teri Donner at 716.713.3685.

Sincerely,

Teri Donner
Angel Wings Committee Chairperson
